

Sparkle Montessori

Newsletter - July 2017

Dear Sparkle Families

Welcome to the month of July. Summer is finally here and we hope you are enjoying the sunny days! As the Summer season unfolds, we look forward to our summer fun activities during the months of July and August. You will receive information about these events with dates and timings from your child's class teacher.

Last month we celebrated the Father's Day with sports and enthusiasm. This was enjoyed by all.

On July 4th we celebrate Independence Day. We encourage you to make your child wear the colors, Red, White and Blue. We will be doing crafts, coloring and talking about the great gift of freedom that we enjoy.

Our Spanish Program is progressing very well. The children have covered numbers from 0-20, shapes, colors and greetings. We will be doing body party for Spanish this month.

Thank you

Sparkle Montessori Team

CLASSROOM NEWS

Room 1

For the month of July we will be working on introducing the names of various types of vegetables. We will also be working on recognizing names of our children without the use of photos attached to their names.

Room 2

Welcome to summer. We are excited about summer fun. We are going to do our summer special activities: splash, ice cream, juice party.

We will explore the oceans, Pacific Ocean, Indian Ocean, Atlantic Ocean, and Arctic Ocean.

We will continue our Montessori jobs. We will review math, language arts, and science. We will focus on social skills and ground rules.

Room 3

The theme of this month will be "Ocean". We will be learning key facts about some ocean life. For the month of July children will be focusing on recognizing and tracing upper case and lower case letters, D, W, E, N and numbers 1-3. We will also be talking about Independence Day and doing craft for the same.

Room 4

Our topics of discussions will be "under the sea life". We will talk to our children about July 4, Independence Day. For language. We are working on beginning and ending sounds, three letter words and phonic sounds. For mathematics will learn numbers 1-100 and 1 digit addition and matching the numbers with pictures.

Looking back.....

Our children learned about The Human body during our theme time this month. They did Human body art work too.

Our teachers and children made handprint keychains and cards for Father's Day. Our Father's Day Celebration was thoroughly enjoyed by our children, teachers and Dads! We sincerely appreciate all our Dads for taking the time out from your busy schedule to participate in the event!

Please visit our facebook page to view the pictures.

Seeing your likes on our facebook page keeps us motivated!

Theme of the month: July

During this month our children will be learning about Ocean Life. We will do theme, Independence Day and summer related artwork.

Did You know?

- An Octopus has three hearts
- A Starfish has two stomachs
- When a great white shark is born, it immediately swims away from its mother because its own mother may eat them.
- The Whale is the loudest mammal in the ocean

July 4th-HOLIDAY - Independence Day

Some Gentle Reminders....

- We would appreciate if children who are not yet potty trained or undergoing potty training can wear buttonless pants.
- Please refrain from making your child wear light shoes.
- Please avoid any gold jewelry on your child. The school is not responsible for any lost ornaments.
- Please pick up your child's soiled clothes the same day and also replace it with extra clothes the next day. All clothing must be labeled.
- Please make sure your child's nails are trimmed at all times.

VERY IMPORTANT

- We request all parents to close the main door and gate shut behind them when parents leave the premises .Security is a very important factor for us and we request your cooperation.
- The disabled parking is for use only by cars that have a valid sticker.

Circle time starts at 9.00a.m. and continues until 9.30a.m. This is a very important period and all what is done during this time is not repeated during the day. The children learn a lot at this time and we request that you try your best to bring your child before 9.00a.m.
